

Graphic Design Services and Pricing

Tammie Corcoran, Web Developer and Technical Writer

tammiecorcoran.com

My goal is to give you the best value for your money and ensure you are happy with your final product.

I use Adobe Illustrator and Adobe Photoshop for graphic design services. I use PowerPoint for presentation design elements. Please let me know if you need your graphics in a specific format not listed here.

Service	Price
Logo	\$250.00
Business Suite (Logo, Letterhead, Business Cards)	\$450.00
Graphics	\$40.00/hr.
PowerPoint Design Elements	\$35.00/hr.

Table 1: Graphic Design Services Pricing

My web development process is as follows:

1. Consultation and requirements gathering
2. Designing your graphics
3. Delivering your graphics for your review
4. You only pay me once your project is completed and approved
